BLANC DE BLANCS

Vins des princes, Prince des vins

THE HOUSE DE VENOGE RESURRECTS THE MYTHICAL CHAMPAGNE PRINCES CREATED IN 1864 BY JOSPEH DE VENOGE IN HONOR OF THE PRINCES OF ORANGE. ITS ELEGANT AND FAMOUS CARAFE RECALLS THE CRYSTAL FLASKS, IN WHICH EUROPEAN ARISTOCRACY USED TO DECANT THEIR CHAMPAGNE.

TASTING NOTE:

Princes Blanc de Blancs is made only from Premiers Crus and Grands crus (Mesnil sur Oger, Trépail) which are rigorously bended by our Cellar master. This Champagne shows wonderful mineral notes and a great ageing ability. Its freshness and elegance are underlined by subtle aromas of white flowers and citrus. Princes Blanc de Blancs will enchant you aperitif or nicely pair with a light starter.
